SPANISH LANGUAGE & CULTURE IN SOUTHERN SPAIN

May 14—June 18, 2017

Students will have the opportunity to experience the language and culture of Spain while living in the Andalusia region. While living with local families, students will get to know the palaces, gardens, architecture and the religious sites of the Roman, Islamic, Jewish & Christian communities in southern Spain.

Seville is a very relaxed and safe city known for its exuberant spirit, Flamenco music, and its proximity to the Mediterranean coast and the beautiful medieval cities of Granada and Cordoba. The city boasts a rich architectural and cultural legacy that predates the Romans, including the Visigoths, the Umayyads or early medieval Muslim period, and the majesty of the Spanish Empire.

Students will live with host families where they will be immersed with the culture and practice their Spanish language skills.
